

Dear James,

The Minor Hotels F&B Leadership Conference Asia 2017 has come to an end and has been rated a great success by all stakeholders.

One of the key objectives of the conference was to get our F&B leaders out of their comfort zone and step away from the traditional hotel thinking, an objective we well achieved. Such a conference also furthers and fosters the camaraderie and making it possible to connect with industry professionals such as yourself.

Your presentation was brilliant, very relevant, never boring and the feedback we received from the participants was fantastic. We know that you always have a very busy agenda and would like to thank you for having made time to be with us. We would also like to extend a special thank you for your generous product contribution to the event.

We are looking forward to reconnecting with you in the hopefully not too distant future. Enclosed we have the contact list of the conference participants, feel free to liaise with them directly as well.

With many thanks for your support and kind regards,

Thomas Meier
